

Route Manager One-Way SMS Launch Email Campaign

Email 1

Subject Line: Improve Your Customers' Experience

Give your customers the real-time communication they expect when receiving deliveries. Today, the overall experience of receiving a package is almost as important as the package itself. Customers expect fast and accurate deliveries with real-time updates on delivery status. WorkWave Route Manager now gives you the ability to provide your customers with total transparency into their delivery experience with **One-Way SMS Text Messaging**.
