

Customer Testimonials

“Route Manager has kept us flexible in responding to quick expansion of our distribution needs. It helps increase our responsiveness and efficiency - while the flexible API integration allows us to plan ahead and strategize within delivery zones in real-time.”

Nora Batho
Logistics Manager, Fort Point Beer

“By understanding customers’ needs early on, we are able to offer a better service: increase conversion rates, exceed customer expectations, and ensure on-time arrivals. It’s made possible with WorkWave Route Manager.”

Antonio Perini
CEO-founder, Milkman

“Route Manager helps me prepare MANNA’s weekly deliveries faster. Now, I can easily plan around my volunteers’ availability and we’re able to serve more clients.”

Martin Zang
Logistics Manager, MANNA

“Route Manager lives by our rules and the time-windows are specific - which our customers appreciate. Our team is working smarter and our deliveries are more dependable.”

Michele Tilapaugh
Project Manager, Recker & Boerger
